SKILLS

Passionate Front-End Developer with 4 years of experience, specialising in mobile development for nearly 3 years. Proficient in **React Native, Swift, Kotlin**, and other front-end technologies such as HTML, CSS, JavaScript, **TypeScript**, **Jest and CI/CD**. Adept at designing intuitive interfaces and implementing smooth animations to create seamless user experiences. Skilled in using tools like Figma, Git, JIRA, Xcode, and Android Studio.

My Soft Skills are strong problem-solving abilities, excellent collaboration and teamwork, clear and concise communication, adaptability and eagerness to learn.

In addition, an efficient level of **English**, facilitating effective communication in international environments.
